This matter was opened before the Alcohol and Drug Counselor Committee of the New Jersey State Board of Marriage and Family Therapy Examiners (Board) upon receipt of Carol Jennett's request for an unrestricted license to practice clinical alcohol and drug counseling.

On June 24, 2004 respondent submitted an application for licensure in which she disclosed one criminal conviction for possession of a controlled substance in 1988. Respondent failed to disclose several convictions listed under other surnames which were more than fifteen (15) years prior to her application and prior to her rehabilitation, education and training for a Master's degree in Social Work. A Consent Order was filed on February 2, 2005, whereby Ms. Jennett was granted certification to practice alcohol and drug counseling. Pursuant to the Consent Order respondent was reprimanded for misrepresenting her criminal history on three (3) separate applications filed with the Division of Consumer Affairs,

precluded from engaging in any independent or private practice, precluded from applying for a clinical alcohol and drug counseling license for one year and required to remain in psychotherapy.

On July 28, 2006, Carol Jennett appeared pro se before a sub-Committee to request that she be granted a clinical license to practice alcohol and drug counseling without any restrictions. She testified about her compliance with the Consent Order, including completion of one year of psychotherapy. Ms. Jennett also submitted a written evaluation from her clinical supervisor.

The Committee having considered the testimony of Ms. Jennett and having reviewed her application and the report from her clinical supervisor, and all relevant documentation submitted and finding that respondent has fully complied with the prior Order of the Committee and that the within Order is adequately protective of the public health, safety, and welfare,

IT IS on this 27<sup>th</sup> day of October, 2006,

ORDERED THAT:

Carol Jennett is hereby granted an unrestricted licence to practice clinical alcohol and drug counseling in the State of New Jersey.
